

2007-2008 IHS PTSA SUPPORTER MEMBERSHIP / PASS the HAT

for Issaquah High School Alumni, Grandparents, & Other Supporters

A new category of membership in the IHS PTSA has been created. The Supporter Membership is offered to grandparents, alumni, parents of past students, and others in the community who do not currently have children enrolled at IHS but would like to support IHS through the PTSA.

Did you know that the IHS PTSA was the most highly awarded high school level PTSA in Washington last year? For the first time in school history, 100% membership was reached where every IHS student had an adult enrolled in the PTSA. Reaching 100% membership this year is a goal that is within reach and can be met with your support.

The IHS PTSA focuses on academic enrichment, parent education, student recognition, drug & alcohol awareness programs, school safety improvements, the Reflections art program and staff support. PTSA is also active in legislative advocacy, welcoming newcomers, assisting the needy, and college admissions test preparation. Numerous hours of volunteerism and careful financial management using cash donations from the Pass the Hat fundraiser have made many improvements possible at IHS.

PTSA information is available at www.issaquahhighptsa.org or at the school website at www.ihs.issaquah.wednet.edu

Your membership in the PTSA provides important strength and support to the organization and will keep you connected to IHS. All members are welcome to attend our meetings, generally held on the second Friday morning of each month; however meeting attendance is not required.

Supporter Membership in the PTSA is \$8 per member and does not include a school directory.

Membership Information

Member Name _____ First Member: \$8 _____

Email Address _____

Second Member Name _____ Second Member: \$8 _____

Email Address _____

Address _____ Phone _____
