

Special General Membership Meeting

May 15, 2007, 9:30 AM
Held at the IHS Library

Introduction – Marianne Kersten

A special meeting was held to review the design and rebuild process of the rebuild of Issaquah High School.

18 members signed in.

Program – Mitchell Kent, AIA, Mahlum Architecture

Mitchell presented draft design drawings and reviewed the layout of the rebuilt IHS.

The next phase, design development will begin at the end of August and would include details such as materials, outlets, etc.

The contract development phase will take about 26 weeks.

Construction will take about 30 months and will begin in June 2008.

When 9th graders return to the campus in Fall 2009, the first block of buildings will be ready.
